My dear all -

Just a little letter hoping you
are all well or reasonably well look-
ing forward to summer altho. it may be
like our summer "a long time a coming".
Plenty rain for the gardeners any way. Well now
I got the invitation to Alan & Susan's
wedding July 5 I'll be writing an air mail
thank you tomorrow. I was at Post Office got
stamps & forgot my air mails. We are in the
throes of buying a home for me & selling
mine between it including vendors & people
after the one we are after its been quite exasperating.
Poland when he gets time & is feeling better will
be writing you & explain what we've been doing.
This thing all cropped up just as he had
broken his good ankle for the insurers.
Has had to be seen to with Solicitors in his
bedroom - Im pleased to say he is out of bed
now & finished with home support & getting on
leg altho. gently. Unfortunately for him

the other leg is no help, that's his lame
 one. Everything is going nicely tho - & in helping
 to move into my house in Denilworth Rd.
 No 35 ^{opposite} ^{side} 50 further along ^{to left} Stone
 buying & selling has been real inflationary
 alright if you're selling & not buying but we
 can't help that. I am waiting on the contract
 for this house being sold. - his had such a lot
 of viewers they like the open frontage then it took
 a lot of money to have a lot of things removed
 in house to bring it up to order & he spent a
 lot of time indoors a lot due to work men
 over the past 18 mths so in looking forward to
 being settled. The old gentleman (91) house
 in going into as day is near the family
 & houses are picked up straight away in Whit
 Bay but 14 m. was helping to nurse him when
 he took ill & then phed to get in touch with his
 son & daughter in law in Canada & the daughter
 in law came home & looked after things & her
 husband comes tomorrow (Wed). & they all

hope to go to Canada during 2nd week in
 July, so I could be "moving in" then.
 The house as I say wasn't cheap but quite
 a few came & offered him more for it but
 he told his solicitor he'd rather own family
 house (you have kept an eye on him for a
 while, he's just like Dad, however the daug-
 ter has cared for him well & he is much
 better now & able to travel. I know it will be
 quite an exciting time for all the family
 having a wedding & I know how you
 will all be looking forward to it. He
 won't be able to be there with all this upset
 but I will write Susan's name & Dad
 also Alan & Susan & will write you an
 air mail as soon as I get to Post Office again
 in sending these photos & cutting off to you
 they came to me in Dec. from Ronnie & Jimmie
 Their good self was taken in Yers Guinea
 He hasn't gone back ~~to~~ there but is settled
 again in Yellowknife Ave. - had their

youngest daughter married early last April.
He's a very fine boy & it was nice meeting him.
I'd just met him this wife once before.
~~The~~ He is very interested in the genealogy
but I wouldn't pay as keen as myself
but nevertheless it's nice to meet someone
~~is~~ all interested in it so few do nowadays.
I hear from Auntie Helene regularly & she
intends being down to help me in July we
haven't seen each other since Xmas. I made
a start Sat. to pack a few things but it won't take
long. I'm dreading being in this big house
next winter being a quiet district there
are more porters here than Ken. Rd. or I'll
see the family more. Well now you'll excuse
me & I'll see to you air mail going about
the others to go Give our love to everyone &
it was nice knowing how busy you are
all going to be (a pleasant time) - a special
thing for my 2 little ones Andrew & Julie +
a very special blessing for everyone else God Bless
x x x x x x x x x x x x am.

just off writing a good few days so
must not keep my good intentions these days

they are having it very quiet as B. is not
