Dear Leslie Maud & Family

Just a short letter

Thanking you all so very much for the money also lovely card and comforting letter. It was so very kind of you and believe me I do appreciate it. I am sorry about not writing to you sooner but besides all the upheaval I went and broke my reading glasses, had to wait nearly a week before they ~~it~~ could fix them. Well dears Don Rod a lovely send off I expect Aunt Helen told you all the details. Everything ~~is~~ seems so strange, and the house is so empty I cant express

my thoughts at the moment, but everyone
 has been so kind. I don't know what
 I would have done without Yvonne & Denis.
 They had me staying at their house
 this weekend as a matter of fact I'm
 just back. By the way Leslie & Maud
 I am going to get a nice open book
 and flower vase for the grave so the
 £8 that you so kindly sent me will
 help to pay for it. Its very cold here
 today I don't think we will get
 much summer. However we always live
 in hope. Well dear I will close now
 excuse mistakes, and hope you are all
 keeping well. Thanks once again look
 after each other, God bless you all
 Love from Aunt Queenie
