Dear Leslie Maud & Family,

what a delight
for us to receive your loving letter, we
were glad to know you had arrived back
in Canada and had once again settled
down to your own little ways of life.
It was just great seeing you all, but
as you know it was a very unhappy
time for all of us, owing to your dear
mom being taken away from us
all, but try and get back to your old
way of living because you can't go
on brooding all the time, over the
sorrows you all had when you were

on Holiday. We know she was the dearest of Mam's to you all. But as I say you must look to the future, of course I know you will all have lovely memories to look back on.

Well folks we are keeping well. all of us in Edinburgh. We had a visit from Aunt Helen yesterday she is well. I must thank you for sending on all the papers regarding your book of remembrance, that is a lovely thing you are doing and must take you some time. Now I haven't got it all made up yet, I have contacted your Cousins, Anne also Yvonne. But they haven't returned the papers to me yet. I have also got to get in contact with your Cousin Eileen, but I will

see everything I can do will be sent on to you. Auntie Queenie and the rest of the family thinks its a great thing. Funny folks the other night we saw a programme on the T.V. it was all about your faith the Mormon Religion, we thought it was all very nice it lasted for one hour, all about Salt Lake City and what was very funny we saw the big building with the big strong vaults down below, where your same book of remembrance will someday be, there were millions. How soon it was very nice of you to send us a copy of how you conducted the service at your dear Mamas grave also the photo of your dad's grave

we will cherish for always.

I will close this scribble now sending
you and the family all our love.

Here are a few snaps you can keep
for your own photo album, I looked
them out for you. Well bye bye
for now lots of love from us all

Dan. Queenie.

Dear Folks.

Hope you are all well as we are in Edinburgh. Here are the forms you wanted me to fill in I haven't got Cousin Eileen's yet as she hasn't been along yet, and I want them away, perhaps they are not quite as they should be but it gets complicated as one gets older. If you want any more information let me know, love from all of us in Edinburgh
